

July 2010

Hello Artist!

ARTitudes, Inc. is pleased to announce that we have been invited to participate in a charity fundraiser on behalf of the Peoples' Health Center of Lincoln, Nebraska and preside over their art show and sale November 5 and 6, 2010. As a co-sponsor for this event we will be donating our proceeds to this important local charity and we hope to include you as one of our talented artists.

The Peoples' Health Center will host a reception for artists, patrons and invited guests on Friday evening, November 5, from 5:30pm until 9:00pm and the weekend event will be open to the public Saturday, November 6, from 10:00 am until 5:00 pm. The Friday evening event is also open to the public with donations requested at the door. Please note that the location is yet to be confirmed and we will post that information at <http://artitudesinc.com> as soon as we are set.

As always and what is unique about ARTitudes' events is that artists need not be present for the entire show and sale. We will have a central checkout system for all artwork, collect all money, sales taxes, credit card fees, and the like and send the artists' their checks following the show. As this is a charity event, a 20% commission will be deducted from all sales and that entire amount is donated to the Peoples' Health Center.

In addition, we encourage you to copy the enclosed application form for any of your creative friends and family for them to fill out and return with photos of their work. Everyone will be welcome to participate.

Please read the attached application and if you need additional information, you may call the below-listed artists or check our website. We hope to hear from you soon!
